

Bulk Purchasing Program

Each business is different; shouldn't your company have a program that works for you?

Our philosophy at Dupage has always been simple: If you work with us to lower costs,
We pass those savings along to you.
With this in mind, we proudly offer this program to all our existing customers.

Any item purchased in quantities of 100 or more will receive a 5% discount on that item.*
Orders of \$5,000 or more will receive 5% off the entire order.*
Orders of \$7,500 or more will receive 10% off the entire order.*

*Discounts are not cumulative. The highest level of discount will be applied at the time of order. Special quoted pricing does not qualify for a discount but will contribute towards the amount ordered.
